Sir:

In response to the official Office Action dated December 19, 2003, please amend the above-referenced application as follows:

IN THE CLAIMS

Applicant has added new Claims 57 and 58, as shown in the Claim Summary Document attached hereto.

REMARKS

In response to the official Office Action dated December 19, 2003, Applicant makes the following remarks:

Claims 1-56 stand rejected under 35 U.S.C. § 103 as being unpatentable over Rose et al. in view of Gifford, Melen et al., Wiseman and Hilt et al. This rejection is respectfully traversed.

Claim 1 is directed to a system for automatically conducting a business transaction between a user and a trader. It includes:

(a) a trader terminal having billing information representative of the trader;

(b) a user terminal or user card associated with a user terminal;

(c) a local communication link provided between the user terminal or user card and the trader terminal;

(d) an order of goods and/or services of the trader which is initiated by transmitting data over the link, using a message protocol, from said user terminal to be received by the trader terminal;
